HISTORY/FACTS/ISSUES:

Staff is in the process of completing the Evaluation & Appraisal Report (EAR) of the Sumter County Comprehensive Plan. The EAR is a review of the effectiveness of the implementation of the County's Comprehensive Plan and to identify how the Comprehensive Plan should be amended to reflect the current needs and future plans of the county. The EAR is required by Florida Statute.

Due to the extensive nature of the EAR, to provide for the public hearings required to be held by the Zoning & Adjustment Board (serving as the County's Local Planning Agency) for the EAR, and to provide opportunity for public input, staff requests the Board set a series of three (3) public hearings to review and consider the EAR. The last of the 3 public hearings will be to adopt the EAR. Staff will present portions of the EAR at each of the public hearings. The requested public hearings are as follows:

February 23, 2010 - Colony Cottage Recreation Center at 5:30 p.m.

March 9, 2010 - Sumter County Government Offices at 5:30 p.m.

March 23, 2010 - Colony Cottage Recreation Center at 5:30 p.m.
